

An Affordable Senior Community Where Daily Life Feels Like a Vacation Resort

Dear Future Resident,

Thank you for your interest in Castaic Lake Senior Village. To be eligible, your total household income, including income from your assets, must be less than or equal to 50% to 60% of the median income of Los Angeles County for your family size. For management to make this determination, we will need to conduct the following:

1. An interview with you and the other adult members of your household to determine all income and asset sources. Asset sources would include income from checking accounts, certificates of deposit, real estate holdings, pension amounts received in one lump sum, etc.

2. Verify all income and assets through the appropriate sources. This will be done by written verification from your bank or other financial institutions. It will be your responsibility to assist management with this process and to provide all the necessary information to expedite this step. Therefore, please gather as much of your financial information as possible and bring it with you to the interview.

All enclosed forms will need to be completed and returned via mail along with a copy of your social security card and photo identification to:
