

KINDER COLLEGE

EARLY LEARNING CENTRE

Selecting a childcare provider is a decision never taken lightly. There are many factors that go into deciding which is 'the one' - curriculum, qualified staff, location and more. Common concerns like this are solved with the exciting new addition of Kinder College Early Learning Centre to Evolv!

In mid-2022, Kinder College Early Learning Centre will be opening a new location in the ground floor commercial space at Evolv Rental Residence in the heart of Toronto's Downtown East.

Known as one of the best in early childhood education within the region, Kinder College provides exceptional care for children ages 3 months to 4 years old.

Since opening their doors in 2009 at their first location in Downtown Toronto at Richmond Street West, they have received an incredible response and proven to be highly sought-after – not only for the services they offer which many parents require, but also because of the quality of care and innovation they provide to each child.

Kinder College's biggest contribution to the early education field was developing their own revolutionary developmental assessment tool for their educators to use on their children. Existing developmental assessment tools that are available in the market today are either insufficient and don't give a complete picture of a child's development, or they are too comprehensive that the results are not practical for teachers to utilize in the classroom.

The proprietary tool Kinder College has developed is a hybrid of many existing tools on the market, which has been better suited to many of the children to create meaningful goals in their growth.

Evolv Rentals is a family-focused residence that provides both amenities and suite designs to allow all residents to thrive. The new location of Kinder College here at Evolv will continue to provide that experience with the exceptional convenience of being just steps from their front door.

In celebration of Kinder College calling Evolv home, priority placement will be offered to residents who have signed a lease to live at Evolv. A limited number of priority spaces will be available. To learn more about Kinder College and this limited time offer, contact Kana Tsuchida at kana@kindercollege.ca or by phone at 416.479.0004 ext. 151
