A Luxury Pacifica Senior Living Community

IT'S A NEW DAY.
AND IT'S YOURS.

OUR MISSION

Privately owned, Pacifica Senior Living strives to create a lifestyle of independence and peace of mind for each individual and their family.

We do what we love and what we truly believe in – providing compassionate, personalized care services with dignity and respect.

Our dedicated, professional team supports each resident and goes above and beyond to help them feel at home.

At The Meridian at Lantana, we don't expect our residents to "fit" into our community. We've designed a unique environment to fit them – to meet their different needs, preferences, dreams and goals. From distinguished Independent Living to compassionate Assisted Living, our community welcomes residents to live by their own design.

We provide residents with every service and amenity they need, want and deserve to live each day as they choose. We respect their individuality and understand that each person is in charge of the direction his or her life takes. We're simply here to support them. Every step of the journey.

IT'S A NEW DAY. AND IT'S YOURS.
