Ask for Help if You Need It

If you are having problems understanding any part of the application, let the landlord know and ask for help with any questions you may have. The landlord is trained to help you with the application process.

Before You Sign the Application

- Make sure that you read the entire application and understand everything it says;
- Check it carefully to ensure that all the questions have been answered completely and accurately;
- Don't sign it unless you are sure that there aren't any errors or missing information.

By signing the application and certification forms, you are stating that they are complete to the best of your knowledge and belief. Signing a form when you know it contains misinformation is considered fraud.

- The management company will verify your information. USDA may conduct computer matches with other Federal, State or private agencies to verify that the income you reported is correct;
- Ask for a copy of your signed application and keep a copy of it for your records.

Tenant Recertification

Residents in USDA-financed assisted housing must provide updated information to the management company at least once a year. Ask your landlord when you must recertify your income.

You must immediately report:

- Any changes in income of \$100 or more per month;
- Any changes in the number of household members.

For your annual recertification, you must report:

 All income changes, such as increases in pay or benefits, job change or job loss, loss of benefits, etc., for any adult household member;

- Any household member who has moved in or out;
- All assets that you or your adult housemates own, or any assets that were sold in the last 2 years for less than their full value.

Avoid Fraud, Report Abuse

Prevent fraudulent schemes through these steps:

- Don't pay any money to file your application;
- Don't pay any money to move up on the waiting list;
- Don't pay for anything not covered by your lease;
- Get receipts for any money you do pay;
- Get a written explanation for any money you are required to pay besides rent, such as maintenance charges.

Report Abuse: If you know anyone who has falsified an application, or who tries to persuade you to make false statements, report him or her to the manager. If you cannot report to your manager, call your local or state USDA office at 1 (800) 670-6553, or write: USDA, STOP 0782, 1400 Independence Ave., SW, Washington, DC 20250.

If You Disagree With a Decision

Tenants may file a grievance in writing with the complex owner in response to the owner's actions, or failure to act, that result in a denial, significant reduction, or termination of benefits. Grievances may also be filed when a tenant disputes the owner's notice of proposed adverse action.

Notice of Adverse Action

The complex owner must notify tenants in writing about any proposed actions that may have adverse consequences, such as denial of occupancy and changes in the occupancy rules or lease. The written notice must give specific reasons for the proposed action, and must also advise tenants of the "right to respond to the notice within 10 calendar days after the date of the notice" and of "the right to a hearing." Housing complexes in areas with a concentration of non-English-speaking people must send notices in English and in the majority non-English language.

Grievance Process Overview

USDA believes that the best way to resolve grievances is through an informal meeting between tenants and the landlord or owner. Once the owner learns about a tenant grievance, the process should begin with an informal meeting between the two parties. Owners must offer to meet with tenants to discuss the grievance within 10 calendar days of receipt of the complaint. USDA encourages owners and tenants to try to reach a mutually satisfactory resolution to the problem at the meeting.

If the grievance is not resolved, the tenant must request a hearing within 10 days of receipt of the meeting findings. The parties will then select a hearing panel or hearing officer to govern the hearing. All parties are notified of the decision 10 days after the hearing.

When a Grievance Is Legitimate

The landlord must determine if a grievance is within the established rules for the program. For example, "I want to file a complaint because the manager doesn't speak to me" is not a legitimate complaint. However, "I want to file a complaint because the manager isn't maintaining the property according to USDA guidelines" is a legitimate complaint. Below are examples of cases in which tenants may and may not file a complaint.

A complaint may not be filed with the owner/management if:	A complaint may be filed with the owner/management if:
USDA has authorized a proposed rent change.	There is a modification of the lease, or changes in the rules or rent that are not authorized by USDA.
A tenant believes that he/she has been discriminated against because of race, color, religion, national origin, sex, age, familial status, or disability. Discrimination complaints should be filed with USDA and/or the Department of U.S. Housing and Urban Development (HUD), not with the owner/management.	The owner or management fails to maintain the property in a decent, safe, and sanitary manner.
The complex has formed a ten- ant's association and all parties have agreed to use the associa- tion to settle grievances.	The owner violates a lease provision or occupancy rule.
USDA has required a change in the rules and proper notices have been given.	A tenant is denied admission to the complex.
The tenant is in violation of the lease and the result is termination of tenancy.	
There are disputes between tenants that do not involve the owner/management.	
Tenants are displaced or other adverse effects occur as a result of loan prepayment.
