RE: Housing Choice Voucher

Dear Participant

While you are starting on the journey to find a new place to call home. I want to share with you some of the advantages of using your voucher in your current home. If your current home passes the inspection, you are able to utilize the assistance immediately. Which means:

- ✓ Receive assistance as of the 1<sup>st</sup> of the following month
- ✓ Stop paying full rent
- ✓ Not have to move to a new place
- ✓ You will have plenty of time to find your next home
- ✓ You will not run the risk of voucher expiring

I encourage you to consider these advantages as you are looking for a new place. With your current voucher, you can lease at your current home so long as it passes the inspection, and you are still able to move after 12 months. If you would like to take immediate advantage of your assistance, all you have to do is return the Request for Tenancy Approval to our office to get the process started.

Sincerely,

Barb Stanley
