RESIDENT REFERRAL PROGRAM

The Barnum is excited to offer a great resident referral program. Refer someone to our community and receive a rent credit the month they move-in. Please contact the rental office for limitations, restrictions and current offers.

RESIDENT REWARDS PROGRAM

As a valued resident of Steven Scott managed properties, you have access to exclusive restaurant, health and fitness, and entertainment deals in the Twin Cities area. Visit the Resident Rewards webpage by logging into the resident portal.

RENTERS INSURANCE

All residents are required to carry renter's insurance (liability coverage) minimum \$100,000. This coverage must be maintained throughout residency, per your lease agreement. Please remember to provide the office an updated declaration page at the time your insurance renews.

Section F. Liability of Resident and Management

2. RENTER'S INSURANCE: *Resident agrees to purchase and maintain renter's insurance, Tenants/ Renters/Homeowners Insurance Form 4, with an insurance carrier duly licensed in the State of the location of the leased premises, during the entire term of this Lease and any subsequent periods to protect against injuries or property damage and rent loss. None of your personal property or other belongings is covered by the Owner or Manager's insurance policy. Without renter's insurance, your personal belongings are not protected against fire, burglary, water damage (including sewer back-ups and storm damage), vandalism, and/or other damages.*

As you know, you are required to carry liability Renter's Insurance throughout your residency. Remember to provide a copy of your Renter's Insurance Declaration Page each time you renew your Lease.

In addition to the required liability coverage, it is recommended that your policy also have personal property coverage to protect your belongings in the event of a loss.

For your convenience we have a Renter's Insurance preferred provider ResidentShield, or you may use an insurance company of your choice.

Please visit the ResidentShield website at www.residentshield.com for additional information or to get started, or contact them by calling them at 1.800.566.1186.

You may also sign up for ResidentShield through your resident portal.

If you use your own Renter's Insurance company, please ask the agent to e-mail the Declaration Page to thebarnum@steven-scott.com listing The Barnum as the Interested Party (see below).

PHONE DIRECTORY

The resident phone directory is located in the lobby. Guests may find you by your last name and first initial. When you receive a call from the front entry, press the 9 key on your phone to buzz your guest in. For the safety and security of yourself and your neighbors, never buzz anyone into the building that you do not know.

QUIET HOURS

The City of White Bear Lake and our community guidelines state: noise should be subdued by:

- 10:00 pm and before 7:00 am weekdays

LOST OR STOLEN KEYS

If you have a lost or stolen key, the following charges will apply for replacement, please notify the office immediately, so we can disconnect your fob from the system:

- Key Fob - \$50
- Apartment Key - \$50
- Mailbox Key - \$50
- Garage Fob- \$50

SNOW REMOVAL

Snow removal will take place after a heavy snowfall. The office will send out emails regarding when and where the snow removal will take place.

PEST CONTROL

Contact the office immediately with any report of a possible pest at this property. We will then contact an exterminator.

The Residential Lease Agreement that all residents sign states that they must comply with our pest control procedures and report a pest infestation. If there is a report of pests in an apartment/townhome, we may need to treat the apartment/townhome that reports that they have bugs in their apartment/townhome as well as adjoining apartments/townhomes. In order to treat for bugs, the Resident may have to remove all items from their kitchen cupboards and any other areas that the exterminator will need to treat in order to rid the area of the pests.

FIREWORKS

Fireworks, whether legal or illegal, may not be used in any portion of the apartment/townhome community. This includes use in an apartment/townhome, on a balcony or patio, or in any common area including, inside or outside the building, on the grounds, parking lot, sidewalks or garages. For purposes of this policy, fireworks include any legal or illegal type of fireworks, noisemakers, or similar object or device.

PROPERTY TAX INFORMATION

The certificate of rent paid (CRP) form may help you get some of the property taxes back that you paid during the year. It's like money in the bank! You will receive a certificate of rent paid on or before January 31st, following the end of the tax year.

FITNESS CENTER & YOGA STUDIO

The fitness center is available 24 hours a day, 7 days a week for your convenience. Remember: A FOB is required to access the fitness center, and we ask that you please keep your neighbors in mind while working out with dumbbells.

PATIO/BALCONY

Only patio furniture and foliage is allowed on the apartment patios. Items such as bird feeders attract rodents & wind chimes may be a noise disturbance to a neighbor. Grilling is only permitted on decks that have grills installed by the builder with a gas line directly plumbed to your apartment. If there is not a grill installed by the builder on your deck, grilling of any kind is not allowed, including electric.

SMOKE FREE COMMUNITY

The Barnum is a smoke free community. All Residents and guests of Residents shall not smoke anywhere in the apartments, the building or in any of the indoor or outdoor common areas including the outdoor grounds.

POOL

The pool deck will be open for your enjoyment and relaxation 7 days a week! The hours for use are 9:00 am until 10:00 pm. Please remember this is also a smoke-free and pet-free area. Common area grills are available to all residents on the pool deck. Please be courteous of your neighbors and help in keeping this area clean.

BIKE RACKS

There are bike racks located in the front of every parking stall. We recommend securing your bicycle with a chain and U-lock.

COMMON AREA STORAGE

Welcome Mats are not allowed in the hallways. Hallways must always be free from trip hazards. The garage floor should also remain free from any/all storage items. If you need additional storage, please contact the office.

WIFI

There is free Wi-Fi in the Great Room, Pool Deck and Fitness Center.

Network: Barnum Guest

Password: thebarnum

GREAT ROOM AND SPEAK EASY

Located in the 1st floor lobby, the Great Room is accessible to residents 24/7. The Great Room is “first come first served” and is not able to be reserved for private functions. The Speak Easy may be reserved for private functions; please contact the office for more information!

PET INFORMATION

We welcome both cats and dogs at The Barnum regarding the quantity and breed. If you choose to add a pet to your home, please contact the office for more information and approval (prior to making the addition to your home).

All pets (dogs and cats) **MUST** be registered with the Management Office. Please take a few minutes to carefully review the terms of your Pet Addendum. We require all dogs be kept on leashes at all times when not in your apartment. As stated in the Pet Addendum, we do require that you pick up any pet waste and dispose of it appropriately in the exterior receptacles located throughout the community. Your neighbors will also appreciate your cooperation in helping to keep our community grounds clean.

POO PRINT DOGGY DNA VIOLATION FEES

First Violation - \$300 Fine

Second Violation - \$600 Fine

Third Violation - Termination of Pet Rights or Lease Termination - at management's discretion.

****The Barnum does not recognize visiting pets****

LUXER ONE PACKAGE SYSTEM

Luxer One is your fast and easy way to receive packages from anyone. When you ship to your home address, your package goes securely in the Luxer One package system. Pick it up any time; Luxer One is always open. And it's conveniently located at your place to make getting your packages a breeze.

How does it work?

It's simple. Your packages will be delivered to Luxer One. You'll receive a notification with a one-time pick-up code. Whenever you're ready to pick up your package, head to Luxer One. Enter the code on the screen. A door will pop open so you can grab your package.

How do I get started?

You'll receive an email with a signup link. Sign in with your Luxer One account or sign up for a free account. Then, you'll be ready to pick up your packages at Luxer One.

Want to know more?

Visit www.luxerone.com or reach out to your property staff.

PARKING

REMINDER: Vehicles must be operable and used on a daily basis. Non-resident long-term parking (over 24-hours) is not allowed on property without prior consent from management. No recreational vehicles such as boats, RV's, trailers, etc. may be stored in the garage, driveway, surface lot or street at any time.

Don't try to piggyback anyone as you are entering, and let the door shut behind you before you continue into garage. Don't store personal items in your garage space.

All vehicles must be registered and authorized by management. Vehicles must always display vehicle identification provided by management in the vehicles front window (passenger side).

EMERGENCY PREPARATION

Unfortunately, accidents, emergencies, crime and natural disasters happen, and we want to make sure that everyone knows what to do when they do. It is important to be prepared. Talk to your family and friends about emergency procedures for yourself or your family. Please take a few minutes to review these helpful tips with all household members.

During a weather-related emergency do you know where to go for cover in your building?

- Exit your apartment, use the stairs not the elevator if at all possible and go to the first floor in the hallway between the fire doors or core areas without windows.
- If you live in a townhome style apartment go to the lowest level bathroom or interior room without windows. Stay away from windows.
- Take a flashlight and a battery-operated radio so you can listen to weather updates.

Do you know where ALL the “Exits” are in your building?

- Take the time to walk your building on each floor.
- Familiarize yourself with all the exits in the building and where they lead.
- Know where the exit and emergency lights are located.
- Do not prop open Exit or Fire Doors.

In the event of a fire in your apartment/town home or building what should you do?

- Get out and call 911.
- Locate all Fire Pull Stations so you know where they are in case of fire.
- Never try to tackle a fire by yourself without proper training on how to use a fire extinguisher.
- Never try to remove the burning item from the apartment/townhome through a window or door.
- Close doors behind you as you exit the building.
- Use stairs. Do not use the elevator.

Do you close entrance and exit doors behind you, not allowing anyone to come into the building that you do not personally know?

- The building is only as secure as you the residents make it.
- Never prop open doors or allow people into the building who are not your guest.
- Call the office immediately if a door isn’t working properly, or if you see anything suspicious.
- Never allow solicitors into the building. By law the only individuals we must allow into the building are Census Bureau Personnel and politicians with proper identification.
- All other individuals, other than residents and their guests, are not allowed in the building without prior approval from Management.

EMERGENCY PREPARATION CONTINUED

Does the Rental Office have updated information on emergency contacts for you?

Please update this information. Update change of home and work phone numbers.

Make sure we have proper numbers for people you would like us to contact in the event of an emergency.

If there is an evacuation of the building (gas leak, bomb threat or other emergencies) where do you go?

- Leave the building immediately.
- When possible, the office will be open for emergencies. If that is not possible the American Red Cross will be contacted, and you will be instructed on what to do and where to go for immediate shelter.
- Always have a back up plan for long term shelter should you ever need it.
- Keep these things in mind when planning for an emergency:
 - Do I have transportation if I am unable to stay in my apartment/townhome and can't get to my vehicle?
 - Do I have somewhere to stay if I am unable to stay in my apartment/townhome?
 - Do I have my medications and personal items in a place so that they are easy for me to grab if I must leave in a hurry?
 - Do I have a small bag of personal care items that I can grab if I must leave in a hurry?

Only you can be responsible for your safety & security, and that of your guests and family members. These are general guidelines only and may vary with unique or individual circumstances. Steven Scott Management, Inc., the building owner, and its agents and employees, are not responsible for any damage or injury that is done to resident or his/her property, guests or their property that was not caused by management.

These questions are intended as friendly reminders as well as to educate. Keep in mind that we can't predict emergencies, but we can be prepared.

FIRE PRECAUTIONS

This notice is to remind you that you are personally responsible/liable for any damage to your apartment/townhome as a result of fire caused by negligence and for occupancy and housekeeping habits that pose fire safety risks. We suggest that you take the following precautions:

- Do not keep any flammables, explosives, or other non-household combustible items in your apartment/townhome.
- Dispose of newspapers and other refuse regularly.
- Do not place matches or lighters where children can reach them.
- Clean grease from the cooking range, oven, and exhaust fans and vents regularly.
- We are a Smoke-Free Community; smoking is prohibited within 20 feet of the building including your apartment & patio.
- Do not use worn electrical cords.
- Do not overload electrical outlets.
- Your apartment/townhome contains a smoke detector and may contain other fire safety equipment. Do not tamper or interfere with any smoke detector or other fire safety equipment. Covering or disconnecting your smoke detector is a serious lease violation and grounds for eviction. Residents are responsible for periodically testing smoke detectors.
- Never leave candles or any burning object unattended.
- Never leave anything cooking on your stovetop unattended.
- Do not block hallways or entrance areas.
- Ownership or storage of excessive amounts of personal property or furnishings can pose a fire hazard to you and other residents. It will also impede the circulation of heat and ventilation in your apartment/townhome. You must remove, or store off site, any amounts of personal property deemed by Management to be excessive.
- Never leave any paper, flammable, or other objects not designed for cooking near stoves or cook top surfaces. For apartments/townhomes that are equipped with a water heater, furnace or other heating unit, residents should keep all paper, and other flammable materials, away from these units.

APARTMENT CARE INSTRUCTIONS

CARING FOR STAINLESS STEEL APPLIANCES

Use a clean, soft, lightly dampened cloth, dry thoroughly. Do not use appliance wax, polish or any chemical agent on stainless steel doors. Do not wipe the appliance with a soiled dish cloth or wet towel. These may leave a residue. Do not use scouring pads or powdered cleaners because these products can scratch the finish.

CARING FOR YOUR QUARTZ OR GRANITE COUNTERTOPS

While quartz and granite countertops can be resistant to scratches, scuffs, dents, stains and burns, these surfaces are not damage-proof. Homeowners must take care to avoid exposing quartz countertops to permanent inks and dyes as these substances may not be removable.

CARING FOR YOUR FRONT LOAD WASHING MACHINE & DRYER

Your front load washing machine will require a small amount of care. First and most importantly, after you run a load of laundry do not let damp clothes sit in the machine and the door must be left open to avoid mildew smell in the machine. Only use High-efficiency (HE) detergent. When using liquid fabric softeners use less or forego it altogether. Wipe out the washer's rubber seal thoroughly with a 50/50 mixture of water and vinegar regularly.

Also, remember to empty your dryer lint trap after each load.

WATER SAVER TOILETS

Each bathroom has been equipped with regulation water saver toilets. This means very little water is used while flushing the toilet and we contribute to saving our precious natural resource – water. There can be complications if these toilets are not used properly. Please do not put Kleenex, paper towels, acne pads, feminine products, cotton balls or even dental floss, etc. in your toilet. These items will clog your toilet lines and the toilet can over flow.

GARBAGE DISPOSAL

While small food particles are ok to go down the drain, larger items such as coffee beans, coffee grounds, fruit seeds, rice, pasta, etc will cause the pipes to clog. We ask that you clean your plates and dishes into the trash prior to rinsing them in the sink.
