Helpful Tips to Save on Your Bill & Keep Your Apartment Cool

1. Install dark or lined curtains
2. Change A/C filter monthly (they are free from the office).
3. Keep blinds, doors and windows closed.
4. **Don't turn off your HVAC unit** when you leave.
5. Keep your fans on all the time.
6. Check your windows for any leaks and call in a service order.
7. Keep lights off when no in use.
8. Wash and dry clothes in the morning.
9. Avoid meals that cook for a long time.
