

As of today, we don't have any food trucks scheduled to come to Twin Lakes for July but keep checking rentcafe email blasts and Facebook Under Twin Lakes as well.

Just a friendly reminder; Twin Lakes Apartments team is doing everything we can to address all work orders. COVID-19 hit us pretty hard due to the size of our community. Please continue to be patient with us as we work through all the open work orders as well as emergencies that pop up. 😊
 We are calling the day prior to entry. If you do not answer the phone, we will move to the next person. We do understand that can be inconvenient, but we have so many to work through we want to keep moving. We do try 3 times before cancelling out the work order.
