Appointment Location/Date/Time

Expected Move In date ___/___/___

Welcome to Fetzner Square Apartments & Townhomes

Accessing the Community:

-When you enter the Community off of Fetzner Rd and come to the four way stop, turn left onto Squareview lane.

-Immediately on your right will be the Model unit #413

-Park your vehicle along the side of the street in front of the unit.

Accessing the Model Home:

-The Apartment home you are about to tour is equipped with a smart lock

-At the start time of your scheduled tour, you will be able to unlock this door by using the pin code sent to your cellular phone, via text message.

-To unlock the door, place the palm of your hand over the keypad to activate it

-Enter your pin code, and then press the check mark on the bottom left corner of the keypad. This will unlock the door for you.

Please Be Aware:

When you enter the model home, the door will automatically lock behind you for safety measures.

When you are ready to exit the apartment, turn the deadbolt lock to unlock the door and exit.

Please remember to close the door tightly behind you.

Sincerely,

All of us at Fetzner Square Apartments
