

Roofing Preventative Maintenance

Date: April 23, 2021

Dear Valued Resident(s),

As we press forward with the projects on the community, commencing **Monday, April 26, 2021 through Friday, April 30, 2021** Midwest Roofing will be on site to perform the preventative maintenance on all roofs. They will be on site working from 8:00 am to 5:00 pm daily

Should you have any items of value on your patio / balcony we encourage you to temporarily remove them in order to avoid any dust or debris from damaging your personal belongings.

Please take into account that there will be construction noise taking place intermittently throughout the day.

Thank you in advance for your cooperation and understanding.

Feel free to contact the Leasing Office should you have any questions or concerns.

Respectfully,
