

Handicap Parking Spaces & Flowline Repairs

Date: 4/23/2021

Dear Valued Resident(s)

Commencing **Monday, April 26, 2021 through Friday, April 30, 2021** United Contractors Group will be on site working between the hours of 7:00 am to 6:00 pm repairing the Handicap Parking spaces as well as the Flowlines on the property.

The 4 phases of the parking lot will be open for parking during this week with the exception of the handicap parking spaces which will be cautioned off as they are worked on. Below I will outline the schedule for the days that each handicap parking space will be closed for parking as well as attaching a map for reference. In order to allow sufficient work space there will be an additional space next to the handicap parking space locations that will also be cautioned off to avoid any damage to vehicles.

The flowline repairs will not impede vehicle access throughout the property; however, we ask that you pay close attention to the areas that will be coned and cautioned off as United Contractors Group is working on them.

We would like to thank you for your attention to the following:

- Vehicles must be removed from indicated Handicap Parking Spaces no later than **the day prior to commencing work by 5:00 pm.**
- Please be respectful of "no parking" signs and/or cones that are placed to prevent cars from driving over areas being worked on.
- Any vehicle not cleared from the "no parking" spaces will be towed at the vehicle owners' expense.
- The project will be noisy at times, so please be prepared.
- Please contact the Leasing Office at 760-345-4142 if you have any questions or concerns during the project.

Sunday, April 25, 2021 @ 5:00 pm through Tuesday, April 27, 2021

- **Ramp 2- Near Bldg A**
- **Ramp 3-Near Bldg L**
- **Ramp 4-Near Bldg S**
- The above listed handicap spaces will NOT be accessible for parking commencing April 25, 2021 @ 5:00 pm through April 27, 2021 and will be reopened for parking access on April 28, 2021. **Vehicles must be removed from the indicated spaces no later than Sunday, 4/25/21 by 5:00 pm or the vehicle will be towed at owner's expense.**

- **The Flowline near Bldg L** will also undergo repairs; however, this area will not be closed rather only sections will be coned and cautioned off.

Monday, April 26, 2021 @ 5:00 pm through Wednesday, April 28, 2021

- The above listed handicap spaces will NOT be accessible for parking commencing April 26, 2021 @ 5:00 pm through April 28, 2021 and will be reopened for parking access on April 29, 2021. **Vehicles must be removed from the indicated spaces no later than Monday, 4/26/21 by 5:00 pm or the vehicle will be towed at owner's expense.**
- **Flowline near Bldgs W & Z** will also undergo repairs; however, this area will not be closed rather only sections will be coned and cautioned off.

Tuesday, April 27, 2021 @ 5:00 pm through Thursday, April 29, 2021

- **Ramp 7- Near Bldg Q**
- **Ramp 8-Near Bldg F**
- The above listed handicap spaces will NOT be accessible for parking commencing April 27, 2021 @ 5:00 pm through April 29, 2021 and will be reopened for parking access on April 30, 2021. **Vehicles must be removed from the indicated spaces no later than Tuesday, 4/27/21 by 5:00 pm or the vehicle will be towed at owner's expense.**
- **Flowline near Bldg F** will also undergo repairs; however, this area will not be closed rather only sections will be coned and cautioned off.

Wednesday, April 28, 2021 @ 5:00 pm through Friday, April 30, 2021

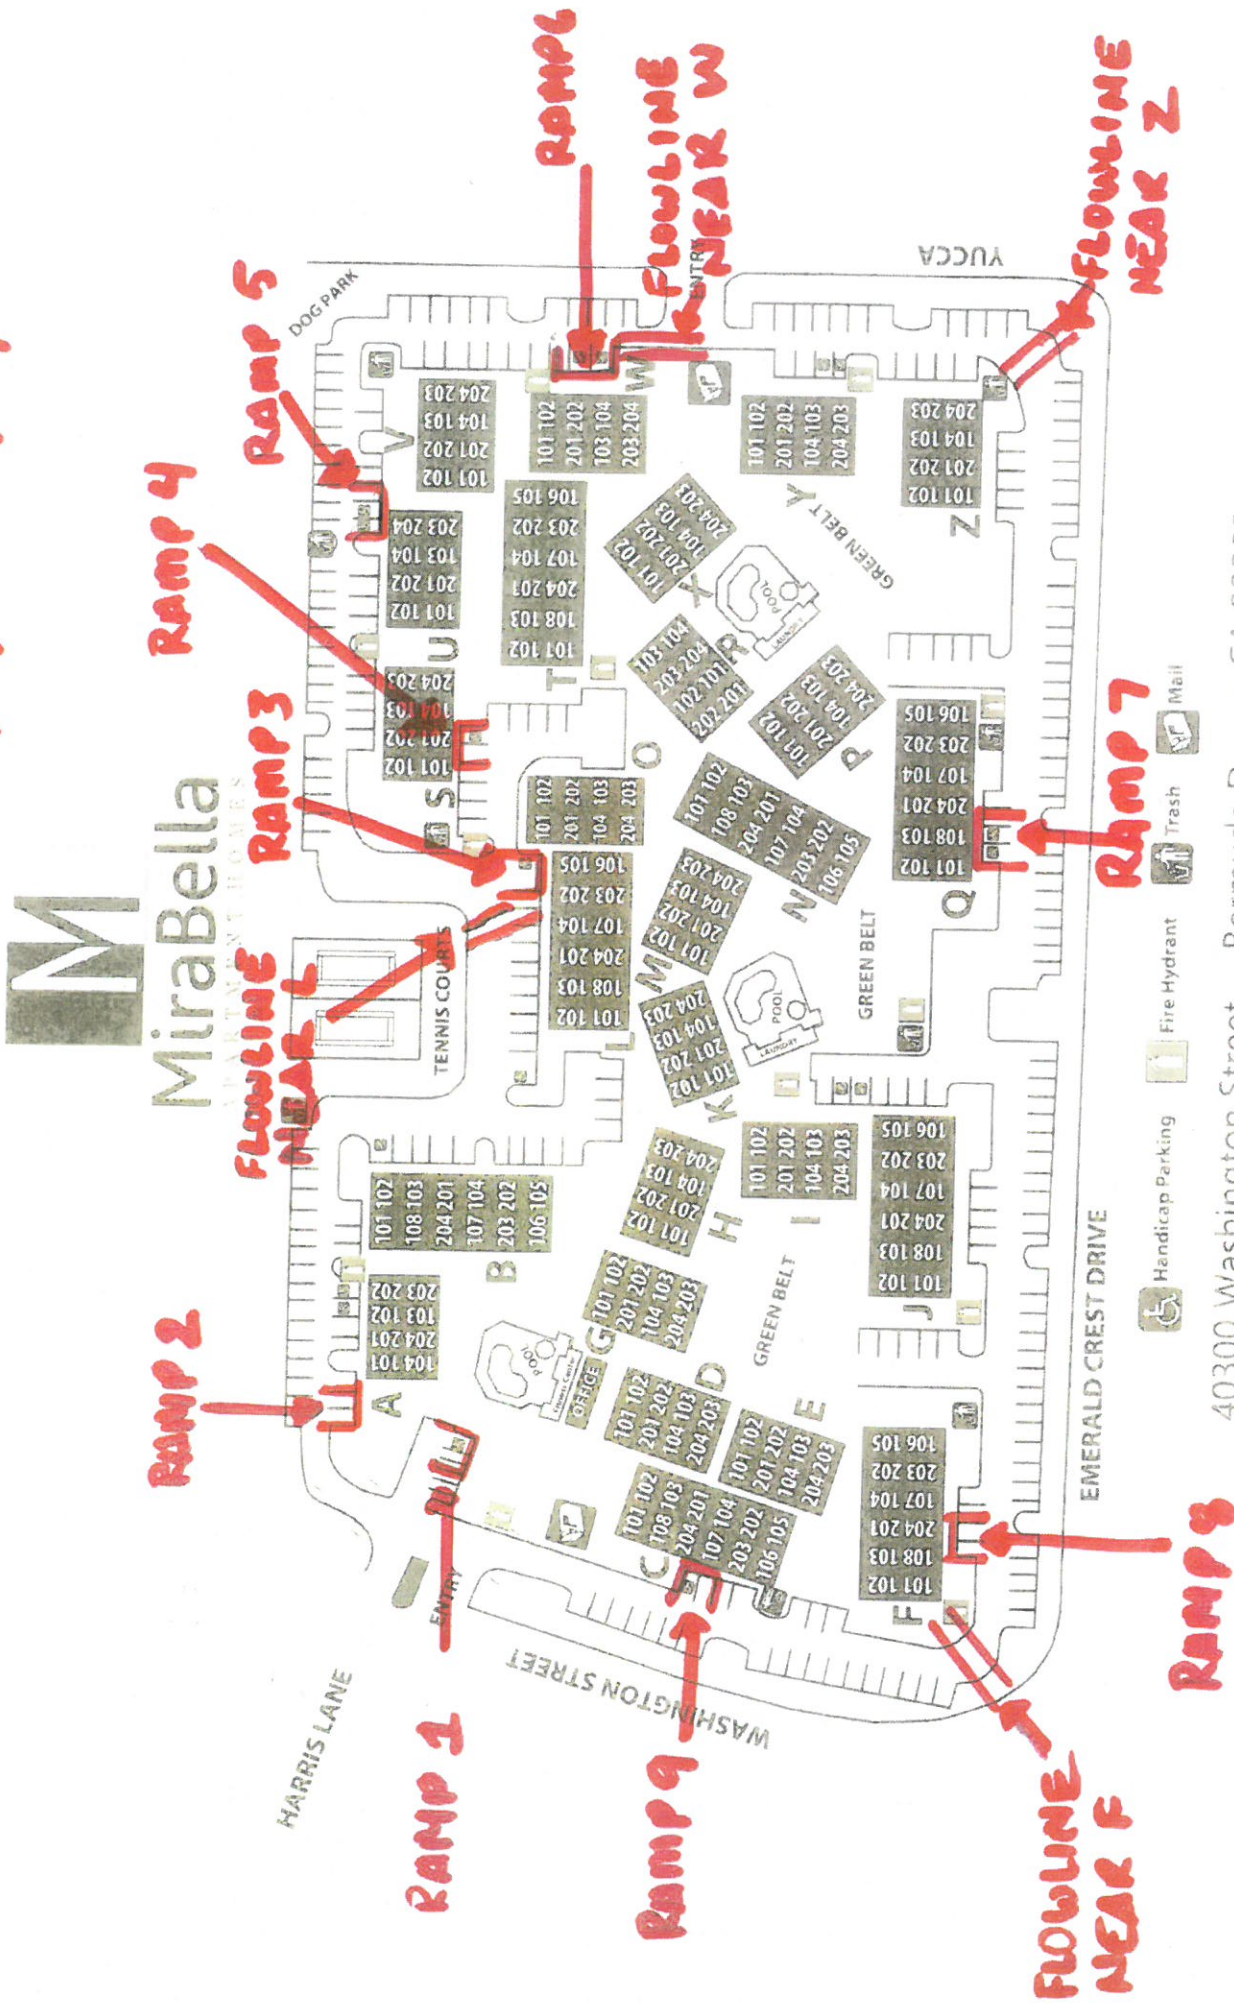

- **Ramp 1- At the Leasing Office Parking**
 - **Ramp 9-Near Bldg C**
- The above listed handicap spaces will NOT be accessible for parking commencing April 28, 2021 @ 5:00 pm through April 30, 2021 and will be reopened for parking access on May 1, 2021. **Vehicles must be removed from the indicated spaces no later than Wednesday, 4/28/21 by 5:00 pm or the vehicle will be towed at owner's expense.**

Attached and marked in red you will find a map of the parking spaces that will NOT be accessible as well as the flowline areas where cones and caution tape will be placed to avoid vehicles from driving over them as United Contractors Group is completing the necessary repairs. We thank you in advance for your cooperation during this project.

Kind Regards,

Mirabella Management
