PET LIABILITY WAIVER

You are solely responsible for supervising your pet and determining whether or not this is an appropriate area to bring your pet. You must understand that you do so at your own risk (and the risk of your pet).

Warning of Risk

Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including death to the pet. Certain inherent risks include the propensity of any pet to behave in dangerous ways that may result in injury to another person or pet. Other risks include, but are not limited to, the inexperience, negligence or irresponsibility of a pet owner; the inability to predict a pet's reaction to sound, movements, objects, persons, or other animals; and actions by the pet due to fright, anger stress, insect bites, or natural reactions such as jumping, pulling, resisting and biting. Other risks include the hazards associated with environmental and traffic conditions, act of God, inclement weather, slipping, falling, premises defects, failure in instruction/supervision, and all other circumstances inherent to pet activities. Should you attempt to break up a fight between pets, you may be attacked and severely mauled by the other pet, or by another person. In this regard, it must be recognized that it is impossible for The Suites to guarantee absolute safety.

Waiver & Release of All Claims and Indemnification Agreement

Please read this form carefully and be aware that in consideration for permission to bring your pet onto The Suites, you will be assuming the risk and legal liability and waiving and releasing all claims of injuries, damages, or loss which you or your pet might sustain as a result of bringing your pet onto The Suites property.

- I recognize and acknowledge that there are certain risks of physical injury to the pet and it's owner in association with bringing my pet onto The Suites property.
- I voluntarily agree to assume the full risk of any injuries, damage or loss, regardless of severity, that my pet might sustain as a result of brining my pet onto The Suites property.
- I do hereby agree to waive, relinquish, release and forever discharge The Suites including its officials, agents, faculty, and staff from any and all claims for injuries, damages or loss that I may have or which may accrue to me and arising out of, connected with, or in any way associated with bringing my pet onto The Suites property.
- I further agree to indemnify and hold harmless and defend The Suites from and against all losses, claims, damages, liabilities, cause of actions, and expenses (including attorney fees) on account of personal injuries or death to any person or pet, or damages to property occurring, growing out of, incident to, or resulting directly or indirectly from brining my pet onto The Suites property.

I have read and fully understand the above important information, warning of risk, assumptions of risk and waiver and release of all claims.
