## *A Note from the Executive Director*

Greetings,

We made it through the summer!

Chef Robert celebrated seven years here at Pacifica Green Valley and we celebrated with cake and a certificate of service. Thank you Chef and Team.

We are pleased to announce our partnership with ONR, Inc. a national leader in rehabilitation services. The program offered by this partnership will compliment our commitment to serving the healthcare needs of our Residents, here in our community.

Michelle is here on site Monday through Friday in our Crescent Building. Please say hello when you see her.  
Warmest regards,

Julie

## *Who Am I?* (answer)

Laurie Gibbs is a native of Las Vegas. Her father was a roadie for several famous bands back in the day. Her mother was a professional dancer as is Laurie.

She has worked as a cosmetologist for over 25 years and has a successful business and influential clientele. Her passion and love of all things decoration is evident here at Pacifica Green Valley. She is responsible for all our beautiful holiday décor. Those beautiful wreaths on your cottage doors were made by Laurie and friend. Each wreath is special to that cottage.

Her eye for design and love of it is over the top! Each cottage is decorated with such love and attention to detail.

I am so proud to introduce you to this lovely lady who makes All of our lives beautiful.

Thank you seems such a small word for all she has done and continues to do. We are blessed that she has chosen our community to dedicate her time and talent to.
