Senior Living

Assisted Living With a Continuum of Housing and Care Options

ROSE
SENIOR LIVING
Beachwood

Independent Living | Assisted Living | Memory Care

Welcome Home to Rose Senior Living

The care you need. The community you want.

Step into Rose Senior Living Beachwood, and you'll discover a warm, welcoming environment. You'll find a wealth of recreational options, along with opportunities to socialize. And you'll enjoy the peace of mind that comes with knowing all of your daily needs will be met.

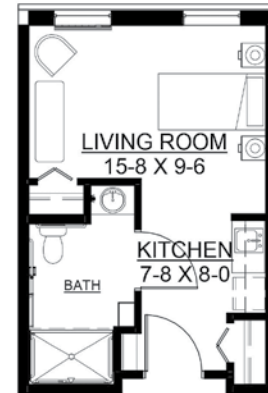

Customized, care-free living.

We recognize that everyone's situation is unique. That's why our approach starts with you. We'll listen and take the time to understand what's important to you. Then we'll work closely with you, your family, and your physician to customize the appropriate level of care. And because we offer a continuum of care options, we can make adjustments as needed to help you feel comfortable and confident about your future.

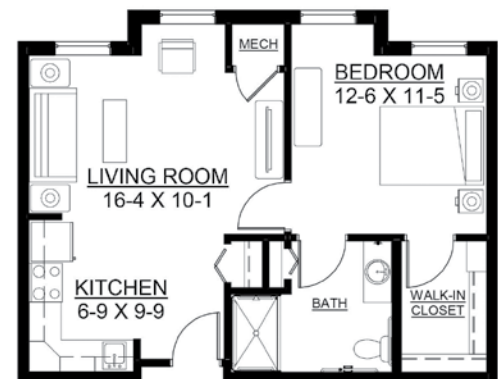

Close to everything you love.

We're conveniently located near the Eton and Pinecrest shopping centers. We're also close to a range of dining and recreational opportunities, along with numerous synagogues and churches. The University Hospital's Ahuja Medical Center and the Cleveland Clinic Rehab Hospital are both nearby. And we have easy interstate access, which means downtown Cleveland is only a quick drive away.

*Where you
can relax
and enjoy life.*

More than 150
years of combined
experience in all
facets of senior
housing.

Rose Senior Living Beachwood was developed by Edward Rose and Sons, a family-owned company that offers modest to luxury apartments around the U.S. In addition, we have senior living communities in Avon, Ohio; Michigan; Tennessee; and Indiana.

Rose Senior Living communities are managed by Ecumen, an innovative leader in senior housing and health care services. Ecumen leverages more than 150 years of experience and owns or manages more than 40 communities throughout the Midwest.

Together, we offer you an enriching community with an unparalleled quality of life.
