A Note from the Executive Director

Happy October to all our residents! Halloween is right around the corner. We had a lot of good times this past September celebrating Memorial Day and National Assisted Living Week. Jennifer and Nancy have some really fun and spooky activities planned in October, so be ready to participate!

We will celebrate "spirit Week" by having the staff and residents dress up in fun costumes this month. Also, as you may be aware, our governor has lifted some restrictions for individuals entering long-term care and assisted living communities we implemented new guidelines pertaining to visitors beginning on September 10th if you have any questions regarding this guidelines, Please feel free to stop by my office.

I would like to share that Pacifica Hollywood employees will partake in

our COVID booster clinic. The clinic will provide for by CVS, and it will be available to residents as well. I will keep you abreast of the date. Our Flu Vaccine is schedule for November 4th and will take place in the Discovery room. The flu Vaccine will start at 9am and end at 4pm.

As always, Thank you for being part of Pacifica Hollywood Hills

Respectfully,

Vanessa Jewell

It's been reported that the booster dose improves protection tenfold against infection in people sixty and older. Its like a fresh vaccine, bringing protection back to original levels and helping severe cases in the fourth wave, the report stated. Representatives for Pfizer argued that it is important to start shoring up immunity before protection begins to erode. A company study of 44,000 people showed effectiveness against symptomatic COVID-19 was 96% two months after the second dose but had dropped 84% by around six months. But the main message was the importance of getting everyone to get two doses. As the center for Disease control emphasized, at this moment it is clear that the unvaccinated are driving transmission in the United States.

Who am I? (answer)

John Lassell, Born in Massachusetts, raised in Los Angeles, John graduated with a Masters in fine arts. Through his love of movies, John has worked creatively in the film industry for over 25 years.

I asked Mr. lasell how will he describe Hollywood hills Pacifica, he said what wonderful place to live, he enjoys morning exercise in our Bistro and happy hour every Friday and ice cream social and the store outing. And going to our activity room and just enjoying the company of our residents and playing Jeopardy.

**Loves sun bathing in our beautiful patio.
And how staff are quick to answer any questions.**
