Volume 8 Series 15

## Important!!

Starting August 1st, the gatehouse attendant will no longer be leaving the gate up when they are not in the gatehouse.

Guests will now have to use the call box located right outside of the gatehouse window.

All your guests need to do is locate your name from the electronic list and using the number listed to the right of your name enter it in the keypad. It will call you; after you recognize who your guest is, press 9 on your phone to open the gate. You will have 30 seconds to talk. The call they receive will be from the gatehouse number 217-359-4215.

Residents that have the electronic car tag can just use the right hand resident lane. If you have yet to get your new electronic car tag, just stop by the office.

## Pool Time!!

- The office would like to remind residents of a few rules pertaining to pool usage.
- Use of the swimming pool is only for Residents and their guests. A maximum of 2 guests are allowed per apartment and must be accompanied by the resident.
- Proper and clean swimming attire must be worn at all times in or about the pool area. No street shoes, jeans, cut offs, or the like will be allowed.
- No alcohol or glass objects of any kind are allowed in or about the pool area at any time.
- No person under the age of 17 will be allowed in or about the pool area unless accompanied by a parent or guardian.
- Conduct of Residents and their guests must be such that the safety and enjoyment of others is not jeopardized. No running, pushing, disorderly or boisterous activity will be allowed.
