Pets!!

- No pets are allowed to come onto Westgate Apartments property without prior written consent of the leasing office.
- We do have both weight and breed restrictions, so talk to the Leasing Office before purchasing a pet.

- There is a max of two pets per apartment 
- When walking your pet, you must pick up after them. There are Pet Waste Stations around property to help you with this.

Resident News

We have noticed a few issues lately and would like to address them.

Please make sure you let your guests know that if there is no one in the gatehouse, they have to use the gatehouse callbox to gain entrance. Under absolutely no circumstance is it ok for anyone to go through the outbound lane to get onto property. Also, it is not ok for your guest to sit and wait until the attendant gets back to the gatehouse.

If you are throwing out any furniture, please take it down to the extra long dumpster by U Building. T.V.s are **NOT** to be disposed of in the dumpsters. 

Make sure you have your pool pass on you when you are swimming. You are only allowed **TWO** guests per apartment and you must be with them. Proper and clean swimming attire must be worn in the pool. No street shoes, jeans, cut-offs or the like are allowed.

 If you are throwing your garbage out and the dumpster looks full, flip the lids over. Often times there is plenty of room in the dumpster, you just have to flip the lid.

If someone is picking you up, please make sure they are pulling into a parking spot. They should not be sitting parked in driving lanes or taking up multiple spots.

If you are getting picked up in front of property, they need to pull into a parking spot in front of the office. Do not park lengthwise across the parking spots blocking their use for anyone else.
