Westgate Wire

March 2017 Volume 3 Series 17

Reminders!

The Westgate Maintenance Staff would be more than delighted to help you install batteries in your smoke detectors or thermostats and also replace light bulbs if you supply the batteries and light bulbs.

It is the responsibility of our residents to supply batteries and light bulbs when they do need replaced. Thankfully the thermostats give you a warning on the thermostat itself. Smoke detectors should be checked every month.

When you are having guests over, we ask that they do not park immediately in front of your buildings. There is room by the Laundry Café, up by the Office, and over by U Building.

By doing this, it will help alleviate some of the parking issue there occasionally is. You wouldn't want to have to park far away because your neighbor is having people over would you?

Events

Looking for something fun to do this month? Look no further! There is plenty going on in the Chambana area.
